WELCOME TO

CAMP CELEBRATE 2025

What is Camp Celebrate?

Camp Celebrate offers respite to families affected by disability through Christ-centered activities and relationships. At Camp Celebrate, individuals with disabilities and their families receive care and encouragement in a safe camp environment. Located at Carson Springs Baptist Conference Center in Newport, Tennessee, the camp provides lodging, three meals daily, fully accessible activities, and a supportive atmosphere. Families leave camp feeling refreshed, encouraged, and likely a bit tired from all the fun!

WHAT IS CAMP CELEBRATE CONT..

We call Camp Celebrate a Family Retreat because it offers families affected by disability a chance to escape their daily routines. It's designed for all ages, ensuring that every camper feels welcomed and celebrated.

The schedule includes family activities, large group teaching and worship, free time for children, and refreshing and encouraging times for parents to connect with others on similar journeys. Age-appropriate programs ensure fun and safety for every camper.

Each family member with a disability is paired with a STM (Short Term Missionary) from 8:00 am to 9:00 pm. These STMs support and care for their assigned camper and family. However, STMs cannot assist with personal needs, so families should arrange for any required help, such as diaper changes.

MESSAGE FROM DARLENE

WHY WE DO WHAT WE DO

Before we get any further with our details, you need to know two things: first, organizing a “Camp Celebrate” is a lot of work, a huge responsibility, and requires an army of volunteers. Second, it is worth it. The first time I experienced Family Retreat was with Joni and Friends in 2002. I cried the whole week. I had never seen so much pain, brokenness, disability, and dysfunction in one place. But, amazingly, during that week, I began to see the face and heart of God more clearly than ever before. Spending a week at Family Retreat can be life-changing for both volunteers and families. Many people arrive feeling

totally alone and exhausted. As volunteers come alongside them and offer support and friendship, they begin to stand up straighter. As families meet and share stories, their hearts are bound together, realizing they are not alone. Isolation and loneliness can strangle hope, but at Camp Celebrate, the light dawns again.

Jesus came to fulfill Isaiah 61. He preached good news to the poor, bound up broken hearts, set captives free, and brought prisoners out of darkness. He proclaimed that God loves us and will one day defeat what is wrong in the world. He comforted and provided for those who have suffered loss, and then He told us to follow Him. This is our command and our opportunity to reach out and minister in His name to a world that is hemorrhaging out of control.

As we show the hurting that we care, come alongside them, and help bear their burdens and bind up their wounds, we fulfill the calling of Christ, and they are better able to believe that He is with them and loves them.

This is Kingdom work and is worthy of our sacrifice. It will bless you beyond what you can even imagine—I promise.

DAILY ACTIVITIES

CRAFTS & ACTIVITIES

Pontoon Boats

Rides depart from Swan's Marina, about a half-hour drive from Camp Carson. Families should be aware that the walk to the marina is quite long and plan to transport family members with mobility impairments in wheelchairs. The rides typically last around 30 to 45 minutes, following the sign-up schedule.

White Water Rafting

A 20-minute drive from camp, take I-40 East to the Hartford exit – Exit 447. The address is Smoky Mountain River Rat Whitewater, 3630 Hartford Road, Hartford, TN 37753. Including orientation, loading the boats, and an hour to float down the river, allow at least 3 hours.

MEALS AT

CAMP CELEBRATE

for your family

All meals will be provided during Camp. Most meals will be served in a cafeteria setting by a mix of volunteers and Carson Springs staff. If you have any allergies or dietary preferences, please let us know in advance so we can accommodate your needs.

During meals, your camper's buddy will join you to enjoy a family-style meal and fellowship. There are a few occasions when caregivers will eat separately, and the buddies will accompany the campers for their meals. However, most meals will be enjoyed together as a group.

Feel free to bring any snacks you may want to enjoy between breakfast, lunch, and dinner. We will have snacks available for volunteers through out the day in the lodge behind the conference room in the hall.

Volunteer Activities

Volunteer Devotionals

Each morning of camp, starting Tuesday, there will be a volunteer devotional at 7:30 AM, just before breakfast at 8:00. This is a special time for us to read God's Word and set the tone for the day. Join us at the amphitheater at 7:30 AM.

Volunteer Debriefs

Throughout camp, we will have two volunteer debriefs. These are times for us to come together, share, and reflect on how God is working—while also addressing any issues that may arise. Think of camp like a mission trip experience; taking time to reflect is incredibly valuable.

The first debrief will be Monday night around 9 PM (exact time will be provided during training). The second will be Friday, after the campers leave, around 12 PM. After the campers depart, we'll debrief, complete any necessary cleanup, and then part ways.

Volunteer FAQ

What if there's a medical emergency or someone needs medical attention at camp?

We have a volunteer camp doctor on-site at all times during camp.

- **Week 1: Dr. Byrd**
- **Week 2: Dr. Wicker**
- **If someone needs medical attention—whether it's an emergency or something minor—please alert a volunteer immediately, and we will contact the camp doctor right away. The doctor stays on Level 2 of The Lodge and is available to assist as needed.**

What if my camper wants to do an activity I can't or don't want to do (like paintball)?

If your camper wants to participate in an activity you're unable or uncomfortable doing, please speak with the Volunteer Coordinator. We can arrange for your buddy to be paired with another volunteer for that specific activity.

Volunteer FAQ

When will volunteers be able to set up their bunk/room?

Volunteers can begin setting up their rooms after orientation ends on Sunday at 5:00 PM. At that time, you'll be able to move your car near the cabins and settle in.

Do cabins have air conditioning and heat?

Yes, all cabins are equipped with both air conditioning and heat.

Are the cabins clean, or should we bring our own cleaning supplies?

Yes, the cabins are clean. While they are older and may show signs of age, they are well-maintained and ready for your stay. Feel free to bring items like Lysol wipes for your own comfort, but it's not necessary.

If we bring snacks that need to stay cold, is there access to ice or a fridge?

There is no ice or shared refrigerator available. However, if you need cold storage for medical or allergy-related reasons, please contact us in advance and we will help make accommodations.

Volunteer FAQ

Where do volunteers park and meet when they arrive at 9:00 AM for orientation?

When you arrive, pull through the main gates and into the parking lot on the left. There are two options: an upper and a lower lot. We recommend parking in the lower lot. Orientation will take place in The Lodge—the large hotel-style building where you'll also check in.

“Go out quickly into the streets and alleys of the town and bring in the poor, the crippled, the blind and the lame.”
