Luke 14 Party

In April of each year, Luke 14 Ministries organizes a party based on Jesus' mandate in Luke 14. We invite the local community in East Tennessee to join for a day of fun and celebration! Volunteers are always needed, and we guarantee a celebration you'll never forget! Leaders are also excited to offer counsel to other churches interested in special needs outreach in their community.

When you give a banquet, invite the poor, the handicapped, the lame, and the blind. -Luke 14:13

CAMP CELEBRATE

LUKE 14 PARTY

WHEELS FOR KENYA

THE HAZELNUT MOVEMENT

International Ministry

Our Wheels for Kenya program sends a team of therapists and supporters to Kenya yearly. There, they join a team of local ministers to offer hope in the form of a wheelchair, compassion, and the good news of the Gospel to people affected by disability.

Camp Adventures

In July, Camp Celebrate brings together families affected by disability for a week of spiritual renewal, friendship, and fun. Volunteer “short-term-missionaries” and our guest families are invited to see the Kingdom of God like never before at a retreat center in East Tennessee. We also offer the Adult Adventure in the Fall for independent adults with disabilities to experience the family of God in a long weekend of fun and fellowship.

The Hazelnut Movement

The Hazelnut Movement uses storytelling as its main form of ministry to inspire and encourage communities — whether in schools, hospitals, or churches — to show greater compassion for, and inclusion of, individuals and families affected by disability.

Creating opportunities for life changing encounters with Jesus by celebrating and serving people living with disability.
